## GOD: PRAISE

Infinite God, to Thee our voice we raise,  
 And with our voice our heart in song of praise:  
 By all Thy works adored,  
 We worship Thee, the Lord;  
 Receive our homage, God of endless days.

To Thee the angels and archangels sing;  
 Of ev'ry lord the Lord, of kings the King;  
 King of the saints of old,  
 Lord of a glorious fold,  
 Thine is the tribute which the angels bring.

So with angelic song shall ours unite—  
 Children of faith in hope of life and light—  
 Glory to God above,  
 Praise to the God of love;  
 Let heaven and earth acclaim with all their might
