

Jerusalem, The Free (Rev 21, Gal 4)

Capo 1

Bm A G Bm A Gsus2 Bm F#m/A Gmaj7 A7
Strangers in a foreign land, a chosen people, we forsake the world surrounding us,
Bm /A Gmaj7 A7 Bm A6 Gmaj7 Asus4 Bm
forsake the pleasures and the lusts and fix our hearts and minds on thee, Jerusalem, the free.

Visions of God's Kingdom in our hearts, we cultivate. And longing deep within our breast
for Zion's true eternal rest, the Holy city, soon to see, Jerusalem, the free.

Chorus:

a G A D A/C# G A D/C#
When from the heavens she shall descend as a bride arrayed
G A D A/C# G F#sus4
Yahweh's people we shall be. We shall not be afraid!
Bm Dmaj7/A G D/A Em Bm Asus4
We'll bear God's name from sea to sea! Serve Him eternally,
Bm A6 Gmaj7 Asus4 Bm
when from the heavens she shall descend, Jerusalem, the free.

Salem, city of our God, of righteousness and peace. Although downtrodden now she stands,
her people left in Gentile lands, until repentant she shall be, Jerusalem, the free.

Yahweh, God is Israel, we long to see that hour when out of Zion goes the law,
we bear the glorious name of Yah, a holy temple we shall be, Jerusalem, the free.

Chorus
