Hearts unfold like flowers before thee opening to the sun above

Melt the clouds of sin and sadness, drive the dark of doubt away

Giver of Immortal gladness, fill us with the light of day

All thy works with joy surround thee, Earth and Heav'n reflect thy rays
Saints and angels sing around thee, center of unbroken praise
Field and forest, vale and mountain, flowery meadow, flashing sea
Chanting bird and flowing fountain call us to rejoice to thee

Thou art giving and forgiving, ever blessing, ever blest
Well-spring of the joy of living, ocean depth of happy rest.
Thou our father, Christ our brother, all who live in love are thine.
Teach us how to love each other, lift us to the joy divine.
