

# More Like Thee

(songbook version and TKC differences at bottom)

**D /C# Bm /A Gmaj7 A D**

**D /C# Bm Gmaj7 A/B /C#**

O Heavenly Father, how often we stray  
Please Lord forgive us and cleanse us we pray

**G A D /C# Bm**

Help us Lord to be a little more like Thee

**G A G A Dsus4 G A**

And to live our lives to thee. Help us to be like Thee

Love with a pure heart, true, gentle and kind  
Gracious, longsuffering towards all mankind  
Help us Lord to be fruitful children unto Thee  
And to do Thy will, not our own, as Thine own Son has shown

Watching and waiting for Christ to return  
For Thy great kingdom on Earth we do yearn  
Help us to believe, even though we've never seen  
For we long to be there with Him, and to be free from sin

Praises in Zion in that day we'll sing  
No more the suffering and struggle with sin  
Gone will be the tears all the sorrow and the fears  
If we live our lives now to Thee, ever only for Thee.

**D /E D/F# G A F# Bm**

Strengthen and help us Lord to be a little more like thy thee

**G A G A Dsus4**

And to live our lives unto Thee, Help us to be like thee
