G **C** **D7**
The time of Christ is near, and we must have a strong foundation and a vision clear!

G **C2 D7&2**
To watch, discern the times as they're unfolding in our lives!

G **+7 C** **D13/9 D7 G**
These things are shown *to us*, the servants of our master the Lord Jesus Christ.

God's Word has life and pow'r! Is able to provide us strength unto that final hour;
So read the Gospel message which has power to save!
And more apply *the words*, that God will see His character reflected in us.

For few are those He'll choose. Now is the time that we must win the crown of life or lose
the race, so run with patience, and will all your mind and strength
with faith and hope *and love* that we may please our God and Heavenly Father above.

Stand fast! Preserve the Truth! Remember our Creator in the days of our youth!
We'll strive and pray that we will stand there in that final day!
For God who sent *His Son* has promised a reward of life for His chosen ones.
