

## Ha Tikvah (The Hope: Israel's National Anthem)

**Dm** **Gm** **Dm**  
While ancient faith and yearning within our bosoms dwell.  
**Gm** **Dm** **A7** **Dm**  
Still will be burning the Hope of Israel.  
**Dm** **Gm** **Dm**  
While eastward, with eyes glowing, our hearts we turn to prayer.  
**Gm** **Dm** **A7** **Dm**  
Our love will be flowing to Zion waiting there.  
**Bb** **C** **F**  
None shall quench the Hope of ancient years  
**Bb** **C** **Dm**  
Hope that lives through sorrow through the tears  
**Gm** **Dm** **Gm** **F**  
This, our salvation, Israel will be free and strong  
**Gm** **Dm** **A7** **Dm**  
Building a nation in land of David's Song

Is-ra-el, re-turn unto the Lord. Fallen, thou hast, by thine iniquity.  
Take words with you, turn unto the Lord. Say unto him, "Receive us graciously.  
Take away all our iniquity, help us Lord to turn again to thee.  
Bind us up and heal our wounds, give us life and make us free."
